SmartGiving vouchers may only be used for charitable donations to UK registered charities or organisations recognised by HMRC as being charitable. No benefit may be derived by you, your family members or any connected persons from the charity to whom such a donation is made.

**To enable your donations to be processed swiftly and efficiently, when completing your charity account voucher please:**

- Write the full name of the charity and the amount in words and figures on the front of the voucher and initial any corrections.
- Note that the minimum amount for a voucher is £5.
- Ensure there are sufficient funds in your Charity Account to cover the vouchers you issue. A voucher issued for which funds are not available may be rejected and returned to the charity payee and may incur an additional administration charge.
- Note that vouchers are only valid for 6 months.
- Be aware that vouchers are issued and the Account operated in accordance with the Gift Aid Agreement signed by you.

---

If you recommend a friend, relative or colleague who opens an account with a credit of £500 or more, you will receive a **£25 MARKS AND SPENCER GIFT VOUCHER**. All they need to do is quote your name when opening the account.
